

JAY KAIRI

Security Operations Specialist

+91 9019197460 | jaykairi906@gmail.com | Electronicity Phase 2, Bangalore

PROFILE

Results-driven Physical Security & SOC Operations professional with 4+ years of experience in CCTV monitoring, access control, incident response, investigations, and corporate security operations. Skilled in managing 24/7 security environments, emergency handling, compliance reporting, and team coordination across enterprise facilities. Experienced with ExacqVision, XProtect, SiPass ACS, ServiceNow, and life safety systems, with strong focus on risk management and operational security.

CORE SKILLS

- Security Systems:** CCTV (ExacqVision, XProtect), Access Control Systems (iSolus, SiPass ACS), VMS, BMS, Life Safety Systems
- Security Operations:** Incident Monitoring, Incident Response, Alert Triage, Escalation Management, Crisis Management, SOP Compliance
- Investigation & Compliance:** Incident Reporting, Audit Support, Evidence Handling, Risk Assessment, Investigation Coordination
- Technical Tools:** ServiceNow, Nmap, Wireshark, Metasploit, Windows & Linux
- Leadership & Coordination:** Team Collaboration, Shift Management, MIS Reporting, Communication, Attention to Detail

EDUCATION

Goa University
2019 - 2022

Bachelor of Science (B.Sc.) in Electronics & Communication

Learnbay EC-
Council

Certified Ethical Hacker (CEH) – Pursuing (Expected 2026)

Completed training in Network Security, SOC Operations, and Cybersecurity Fundamentals.

WORK EXPERIENCE

Siemens Tech

SOC Operator

2025 - Present

- Monitoring multiple corporate locations through CCTV, access control, and SOC systems
- Handling incident response, escalations, investigations, and emergency coordination across sites
- Following and implementing SOPs, security protocols, and compliance procedures
- Managing life safety systems, alarm monitoring, and incident reporting
- Coordinating with security teams, facilities, and stakeholders to ensure smooth security operations across locations
- Preparing daily reports, shift handovers, and audit-related documentation
- Ensured adherence to corporate security policies, SOPs, and escalation matrices across all monitored sites

NTT Data	SOC Operator
2024 - 2025	• Monitored 300+ CCTV cameras, access control systems, and alarm platforms across enterprise facilities • Conducted incident investigations, threat monitoring, and emergency response coordination • Followed SOPs and escalation procedures to ensure smooth security operations • Supported audits, compliance activities, and incident reporting • Assisted in training new SOC operators on security protocols and best practices
P&G Goa	Team Leader – Security Operations P&G Goa
2023 - 2024	• Led and supervised security operations teams across multiple shifts • Managed CCTV monitoring, access control, visitor management, and incident handling • Ensured SOP compliance, emergency response readiness, and daily operational reporting • Coordinated with management, security staff, and local authorities during incidents • Conducted team briefings, training sessions, and shift handovers to maintain operational efficiency

SKILLS	Personal Skills
	• Leadership & Team Coordination • Communication Skills • Attention to Detail • Problem Solving • Ability to Work Under Pressure • Time Management • Adaptability & Quick Learning • Professionalism & Confidentiality • Multitasking Ability • Strong Work Ethics

Key Achievements	• Managed security monitoring across multiple corporate locations • Monitored 300+ CCTV cameras in enterprise environments • Led multi-shift security operations teams • Supported emergency response and compliance audits • Maintained high standards of SOP and security compliance
